Diamond – Children’s Entertainment Area Sponsor. ***One sponsorship package available.***

Tetfest’s Children’s Entertainment has its own separate area where we provided a host of activities to suit all age ranges. These include a climbing wall, bouncy castles, and face painting.

Your sponsorship will enable us to expand our offering so that we can include even more child friendly fun. It will also allow us to keep these activities free at the point of use so that children can have as many goes as they like, without constantly hassling mum and dad for more money.

As our Diamond sponsor you will be given maximum exposure throughout the Children’s Entertainment area, which is undoubtedly the busiest part of our festival site. We will work with you to brand this area so that your company name and logo is highly visible. By incorporating QR codes onto your banners, we can direct our guests straight to your website.

In addition to branding throughout the Children’s Entertainment area, you will also receive the following benefits:

- Your company logo will be included on our two large sponsor boards – one positioned at the festival entrance and one in the bar area.
- Your company logo will be displayed on the Tetfest website and we will build in a hyperlink to direct visitors to your own website.
- Six complimentary tickets to Tetfest so that you can have your own party on site, on the day.
- A brief description of your company, along with your logo and web address, will be mentioned at least twice during the run up to Tetfest on our social media pages (Facebook, Insta and Twitter).
- Your company logo will be included in a direct mail to the Tetfest visitor database (currently in excess of 1,000 names and growing!).

If you have any other specific sponsorship requests, please feel free to contact us and discuss them. If we can accommodate you, we will!
